Program Requirements

The BMP program requires a minimum of 32 credits.

Students must complete the Core Requirements.

Students must complete at least 2 credits of science based electives in the Spring term

Students are required to take at least 9 credits each term to be considered full time.

You must enroll in a minimum of 5 credits per term to be eligible for Federal Financial Aid.

Most students are not eligible for Financial Aid during the Summer: Plan ahead!

Notes:

1. Currently approved Interdisciplinary Elective Courses can be viewed online at

bmp.pitt.edu/interdisciplinary-elective-courses

Elective credits must be approved by the student's assigned faculty advisor.

Enrollment in Interdisciplinary Electives is limited, and up to the discretion of the faculty member teaching the course.

2. These courses are offered through the University of Pittsburgh School of Dental Medicine.

Permission is granted to enroll in these classes to Dental Track students only.

3. Dental track students **must** enroll in either Histology or Cell Biology during the spring term.
